

## Making Cents Worksheet

|  |   |
|--|---|
| <p><b><u>Items to Purchase</u></b></p> <p>-mp3 Player: \$200    -New Shoes: \$110<br/>         -Bike: \$300        -Concert Tickets: \$50<br/>         -A New Outfit: \$85    -Car: \$2,000<br/>         -Cell Phone: \$100    -Stereo: \$150<br/>         -Charity Donation: any amount<br/>         OR choose your own item!! (ask your instructor about the price)</p>  | <p><b><u>What would you like to buy?</u></b></p> <p><b>Item:</b></p> <p><b>Price:</b></p>           |
| <p><b><u>Jobs</u></b></p> <p><b>Landscaping:</b> A lot of manual labor in the hot sun, but the pay is great. \$10/hour<br/> <b>Sensible Sporting Goods:</b> If you love sports this is the job for you! (Note: If you're saving up for a pair of sneakers, working here will give you 10% off.) \$8/hour<br/> <b>Burger Mania:</b> Not the best pay, but you get all the Super-stacker cheeseburgers you want for free! \$6/hour<br/> <b>Bike Shop</b> Test-riding bikes? Not a bad job if you ask me! (Note: If you're saving up for a bike, this job will give you 20% the price listed above). \$7/hour<br/> <b>Pico's Pizza:</b> Waiting tables will send you home with a pocket full of cash. \$12/hour (avg. for tips and salary).<br/> <b>Trends 4U:</b> If fashion is your forte, this store is the job 4U! (Note: 10% off any purchase for employees.)<br/> <b>OR find a different job of your choice!!</b> (\$7/hour)</p>  | <p><b><u>What job would you like to apply for?</u></b></p> <p><b>Job:</b></p> <p><b>Salary:</b></p> |
| <p><b><u>Budgeting Your Time</u></b> You have 168 hours in a week. Of course, you have to sleep and go to school, so we've filled those in for you. But what are you going to do with the other 72 hours?</p> <p style="text-align: center;"> <input type="checkbox"/> <b>Sleep:</b> 56 hours                      <input type="checkbox"/> <b>School:</b> 40 hours                      <input type="checkbox"/> <b>Job:</b><br/> <input type="checkbox"/> <b>Studying:</b>                              <input type="checkbox"/> <b>Sports Team:</b>                      <input type="checkbox"/> <b>Club:</b><br/> <input type="checkbox"/> <b>Personal Leisure Time:</b>              <input type="checkbox"/> <b>Hanging out with friends:</b><br/> <input type="checkbox"/> <b>Volunteering:</b>                              <input type="checkbox"/> <b>Other Activities:</b> </p> <p>Add up the total number of hours for all your activities (including sleep and school). Does it equal 168?</p> |   |
