

SMART Goals Worksheet

By writing goals that are SMART, you will have a good start to setting up a financial plan to meet your goals. The goals below are missing some SMART criteria. Can you tell what is missing? Work with a partner to rewrite the statements into SMART goals.

Goal	What is Missing?	SMART Goal
Go on a whitewater rafting trip next summer.		
Save money this summer to pay for all college fees.		
Get a job to afford to buy a motorcycle.		
Use money received as birthday gifts to pay own monthly phone fees.
